Wellness Plan

The SHAC shall develop a wellness plan to implement the District's nutrition guidelines and wellness goals. The wellness plan shall, at a minimum address:

1. Strategies for soliciting involvement by and input from persons interested in the wellness plan and policy;
2. Objectives, benchmarks and activities for implementing the wellness goals;
3. Methods for measuring implementation of the wellness goals;
4. The District's standards for foods and beverages provided, but not sold, to students during the school day on a school campus; and
5. The manner of communicating to the public applicable information about the District's wellness policy and plan.

Nutrition Guidelines: Food and Beverages Sold

The District's nutrition guidelines for reimbursable school meals and all other foods and beverages sold and marketed to students during the school day shall be designed to promote student health and reduce childhood obesity and shall be at least as restrictive as federal regulations and guidance, except when the District allows an exemption for fundraising activities as authorized by state and federal rules.

Nutrition Guidelines: Foods and Beverages Provided

The District does not have a policy for food and beverages provided. The established guideline is that food and beverages provided, but not sold, occur outside of the meal periods of breakfast and lunch.

Wellness Goals: Nutrition Promotion and Education

The District shall implement, in accordance with law, a coordinated school health program with a nutrition education component. The District's nutrition promotion activities shall encourage participation in the National School Lunch Program, the School Breakfast Program and any other supplemental food and nutrition programs offered by the District.

The District establishes the following goals for nutrition promotion:

1. The District's food service staff, teachers and other District personnel shall consistently promote health nutrition messages in the cafeterias, classrooms and other appropriate settings.

2. The District shall share educational nutrition information with families and the general public to promote healthy nutrition choices and positively influence the health of students.

The District establishes the following goals for nutrition education:

1. The District shall deliver nutrition education that fosters the adoption and maintenance of healthy eating behaviors.
2. The District shall make nutrition education a District-wide priority and shall integrate nutrition education into other areas of the curriculum, as appropriate.
3. The District shall provide professional development so that teachers and other staff responsible for the nutrition education program are adequately prepared to effectively deliver the program.

Wellness Goals: Physical Activity

The District shall implement, in accordance with law, a coordinated health program with physical education and physical education components and shall offer at least the required amount of physical activity for all grades.

The District establishes the following goals for physical activity:

1. The District shall provide an environment that fosters safe, enjoyable and developmentally appropriate fitness activities for all students, including those who are not participating in physical education classes or competitive sports.
2. The District shall provide appropriate staff development and encourage teachers to integrate physical activity into the academic curriculum where appropriate.
3. The District shall make appropriate before-school and after-school physical activity programs available and shall encourage students to participate.
4. The District shall encourage parents to support their children's participation, to be active role models and to include physical activity in family events.
5. The District shall encourage students, parents, staff and community members to use the District's recreational facilities, such as tracks, playgrounds, and the like, that are available outside of the school day.

School-Based Activities

The District establishes the following goals to create an environment conducive to healthful eating and physical activity and to promote and express a consistent wellness message through other school-based activities:

1. The District shall allow sufficient time for student to eat meals in cafeteria facilities that are clean, safe and comfortable.
2. The District shall promote wellness for students and their families at suitable District and campus activities.

3. The District shall promote employee wellness activities and involvement at suitable District and campus activities.

Implementation

The Director of Food and Nutrition Services in conjunction with the District Nurse shall oversee the implementation of this policy and the development and implementation of the wellness plan and appropriate administrative procedures.

Evaluation

The District shall comply with federal requirements for evaluating this policy and the wellness plan.

Public Notification

The District shall annually inform and update the public about the content and implementation of the wellness policy, including posting on its website copies of the wellness policy, the wellness plan and the required implementation assessment.

Record Retention

The District shall retain all required records associated with the wellness policy, in accordance with law and the District's records management program. These records will be kept for a period of five (5) years.
