

# Meaningful Consultation/ Stakeholder Input

December 2022

# **ESSER MEANINGFUL CONSULTATION/STAKEHOLDER INPUT**

***(survey conducted December 14 - 21, 2022)***

**We are nearing the middle of another year post COVID. As you know, COVID affected many areas in education. The health of our school community and student learning loss have been top concerns for all school districts.**

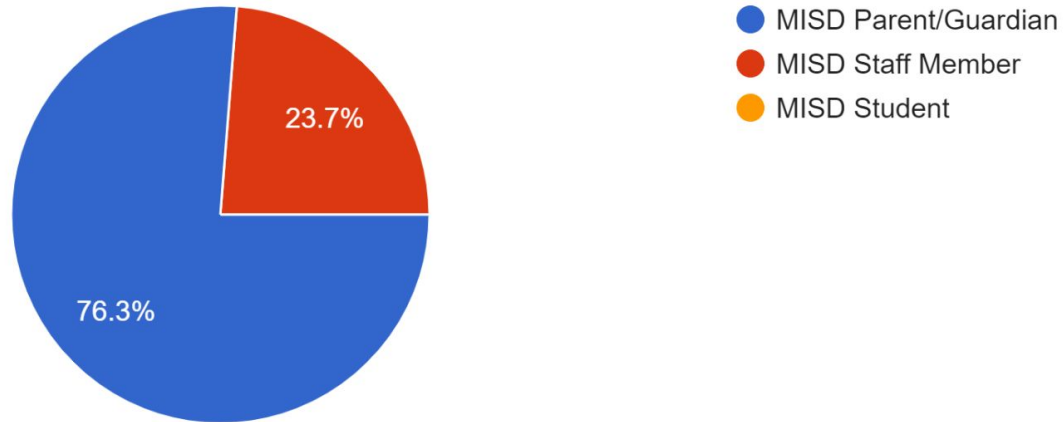

**We were looking for feedback regarding our Safe Return to In-Person Instruction plan and our Continuity of Services plan that address both areas. Respondents completed an anonymous survey that will be used for future planning.**

**If you have any questions, please contact [helpdesk@maypearlisd.org](mailto:helpdesk@maypearlisd.org).**

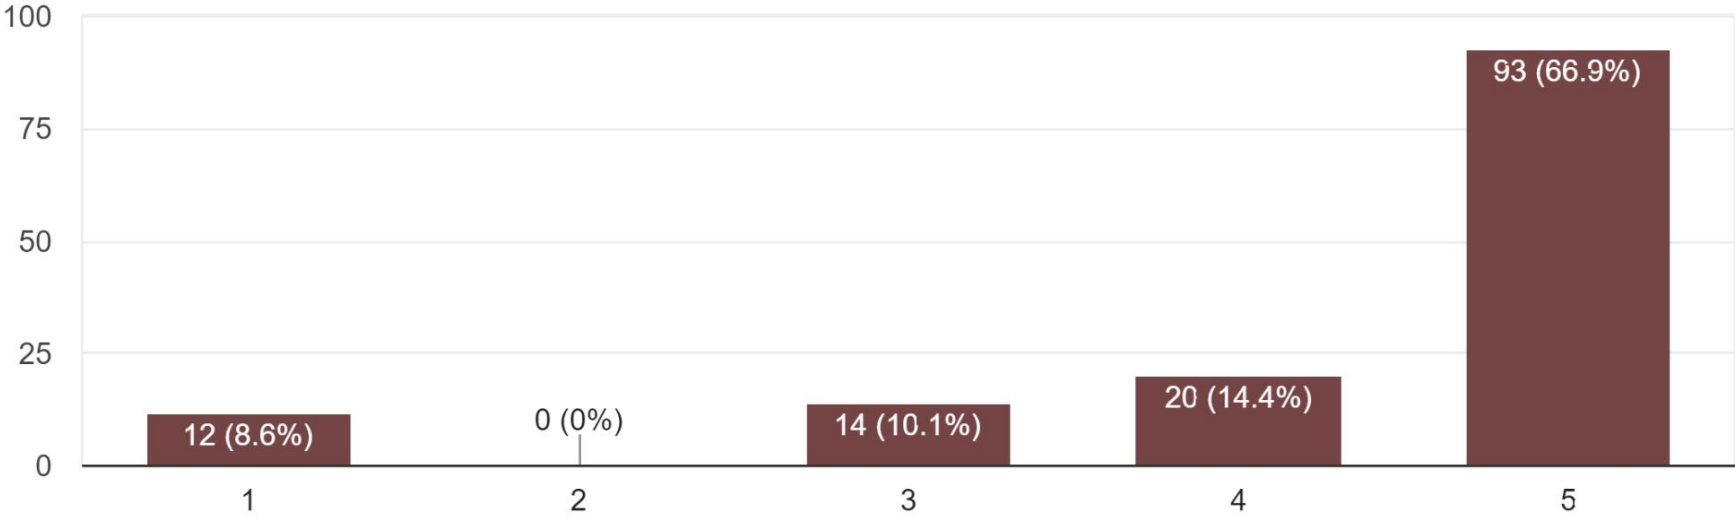

## What is your role in the Maypearl Independent School District?
